

SPECIFICATION SHEET TRs/TR/TRa/TRd

GENERAL INFORMATION

Auto-transformer fan speed regulators TRs/TR/TRa/TRd provide air supply regulation, mounted in single phase heating or ventilation systems. They are made in II isolation class and IP54. Maximum environment temperature 40°C, thermal class B(130°C). They are made in compliance with EN 61558-2-13 norm.

TECHNICAL DATA

	Dimension [mm]			Mounting	Weight [kg]	Supply	Regulation steps				
	A	B	C				1	2	3	4	5
							U _r [V] / I _r [A]
